

# Essential Security Checklist

## Immediate Actions

- Contact local Rural Crime Officer for a security review.
- Establish a "Lock It" policy for all gates and doors (even during the day).
- Create an action plan for incursions and brief all staff.
- Scan buildings for hidden Wi-Fi/Bluetooth/Infrared signals.

## Daily Habits

- Equipment stored and site tidied before departure.
- All drugs, vaccines, and dead stock secured.
- Paperwork filed away or securely disposed of.
- Check that CCTV alerts are active on mobile devices.

## Reporting & Networking

- Suspicious activity reported to Police (ask for Operation TANHA link).
- Crime Reference Number (CRN) obtained for all reports.
- Incidents shared with Packer/BEIC and neighbouring farms.
- Report incidents involving livestock to your vet and request an immediate visit
